HAPPY THANKSGIVING!!!

The Canadian Thanksgiving Day came about because of a combination of traditions. Before the first Europeans arrived in North America, the farmers in Europe held celebrations at harvest time. The farm workers filled a curved goat's horn with fruit and grain to give thanks for their harvest having been a good one. This horn was called a Horn of Plenty..... or a Cornucopia, and the farm workers who started a new life in Canada took this tradition with them.

In 1879 the Canadian Parliament declared the 6th November as a day of Thanksgiving and a national holiday. Over the years the date has changed with the third Monday in October being the most popular time. Finally, on the 31st January 1957 the Canadian Parliament proclaimed that....

'A Day of General Thanksgiving to Almighty God for the bountiful harvest with which Canada has been blessed..... to be observed on the second Monday in October.'

Stewardship Message

28th Sunday in Ordinary Time

In today's second reading, St. Paul tells us that he has learned to be comfortable either with being well fed or going hungry, having plenty or being in need. One perspective on Paul's attitude is learning the secret to being content with less! This is trusting in God, and one of the principle virtues of the Christian disciple and steward. "*Live simply... so that others may simply live*" Blessed Mother Teresa of Calcutta

Dressed For Success

How many weddings of friends and family members have you already attended this year? Do you get those cute little “Save The Date” postcards? The Jews would not announce the date or time until everything was prepared. Then they sent couriers out to say “Come on, it’s ready!” But we see some guests kept on about their business, and refused to come.

So the King’s servants invite all new guests who stand for the sinners and the unclean people of the time—the very ones you’d never see at the King’s table. In this way, Jesus announces his message of transformation: God welcomes all to the banquet of love and new life. The banquet is the symbol of the lavish, abundant Kingdom of God

which fills all our hungers and delights all our senses.

People have associated God’s kingdom with food for a long time—even ridiculing it as “Pie in the sky when you die.” (I think Jesus would enjoy that image!) But isn’t there just something so wonderful and comforting about picturing us all together, feasting at a magnificent banquet?

The hungers we have for good food and drink show us just a shadow of how much our soul is longing for God. The question is, are we willing to do what it takes to be a guest at that banquet? Because there is still a requirement to be prepared for the summons of God, by coming to the banquet wearing a wedding garment.

If we recognize God's invitation, then hopefully we will be willing to "change our clothes"—to go to God dressed in garments of repentance, humility, garments of humble sorrow for our sins and faults. Let's go to the

banquet dressed in garments of love and respect for God.
